Colori levigati dal tempo, dalle stagioni che si rincorrono sfiorandoli fino a mutarli in pietre senza età. Colours worn by time and the

seasons which pass over them, turning them into ageless stones.

Kyrah è poesia di mondi lontani, evocazione di armonia cromatica. *Kyrah is the poetry of distant worlds, and calls to mind harmonies*

*of colours.*

Il blue di notti d'oceano, il giallo di acque accarezzate dal tramonto, il bianco bagliore di superfici lunari, il fascino di terre rosse battute dal vento, il verde di foreste incontaminate. *The blue of nights at sea, the yellow of sunset-caressed waters, the white flash of the surface of the moon, the enchantment of red wind-eroded earth, the green of unpolluted forests.*
